SPELLING BEE RULES AND REGULATIONS

1. Each congregation will be allowed up to three (3) participants per division.
2. Each participant will have 10 seconds to complete the spelling of each word.
3. The time begins once a participant says the first letter of the given word.
4. If a participant needs clarification, he/she will be allowed to ask that the word be repeated, ask for a definition, or ask for a sentence using the word.
5. Once a participant begins to spell the given word, he/she will NOT be allowed to change the order of the letters or ask for any type of clarification.
6. The Spelling Bee is single elimination, meaning that once a participant misspells a word or fails to complete a word in the allotted time, he or she will be eliminated.
7. Each congregation will need to select one (1) person to be a possible judge for the competition. The person chosen to be a judge may not be a parent to a child participating in the event. We will randomly select three (3) people from the pool to participate as judges.
8. Judges should be familiar with the spelling bee rules and regulations.
9. One (1) additional member per congregation will be allowed in the room with the participants. Participants may quietly leave the room after elimination or remain with the congregation member.
10. WE ASK FOR COMPLETE SILENCE FROM AUDIENCE MEMBERS AND PARTICIPANTS. SPELLERS WILL NEED TO BE ABLE TO HEAR THE WORDS, AND THE JUDGES NEED TO BE ABLE TO HEAR THE RESPONSES.
